- community based environmental projects

APPLICATION SUBMISSION PROCEDURE

The application should include:

- Names of the authors but no more than 5 authors a project.
- A summary description not exceeding 500 words AND a full report of the project.
- Names of two referees who are very familiar of the work carried out
- Any other information and references which will enable the judges to readily verify the authenticity of the contributions
- Brief bio-data of the applicant/s
- Cover letter. If the work submitted has been carried out by a group/organization, but the application is by an individual the cover letter should include the authorization by the institution stating its willingness for the applicant to submit the contribution and receive the award personally or on behalf of the institution.

Where appropriate, photographs, maps, illustrations, documentation and description of related work carried out earlier by the candidate may be annexed. The application may be in Sinhala, Tamil or English. The application should be accompanied by a duly perfected application form sent not later than **30th July, 2010** to the **Hony. Secretary, Environment Committee, SLAAS, 120/10, Wijerama Mawatha, Colombo 07**. Please write on the top-left hand corner of the envelop “Environment Awards – 2010”.

SELECTION

Selection for the awards will be based on the following criteria. Submissions will be evaluated by a panel appointed by the Environment committee of SLAAS.

- Clear identification of the environment problem
- Methodology or approach adopted
- Presentation of the findings
- Innovation and value addition to existing knowledge
- Relevance to the sustainable development of Sri Lanka and
- Articulation of the benefits of the contribution to the science and development

SLAAS expect that the awards will be made on high quality submissions, therefore, reserve the rights not to award any if the quality of submissions do not demonstrate the expected quality.

The decision of the Council of the SLAAS shall be the final.

PRESENTATION OF AWARDS

Awards will be presented at the Annual Sessions of the Sri Lanka Association for the Advancement of Science in December 2010.
