

SRI LANKA ASSOCIATION FOR THE ADVANCEMENT OF SCIENCE MANAMPERI (ENGINEERING) AWARD - 2008

- For the best Undergraduate Engineering Research Project carried out at a Faculty of Engineering in a Sri Lankan University.

APPLICATION PROCEDURE:

1. The award is open to students who have submitted their undergraduate engineering project to a Sri Lankan University during the academic year 2007 / 2008.
2. The duly completed prescribed application should be submitted together with a project report (*not exceeding 1500 words*) and necessary diagrams/drawings.
3. The report should be certified by the Head of the Department where the work was carried out.
4. The report should be submitted in duplicate.
5. Applications should reach the following address **on or before 15th October 2008:**
The Secretary / Section C,
Sri Lanka Association for the Advancement of Science,
120/10, Wijerama Mawatha, Colombo 7
6. Write on the top-left-hand-corner of the envelop "Manamperi Award 2008".

IMPORTANT NOTE:

1. SLAAS expect that the awards will be made on high quality submissions, therefore, reserve the rights not to award any if the quality of submissions does not demonstrate the expected quality.
2. If the work submitted has been carried out by a group or an organization, but the application is by an individual, the application should be supported by a letter of authorization stating that:
 - (i) there is no objection to the applicant submitting the work
 - (ii) there is no objection to the applicant receiving the award
3. A maximum of 5 applicants for an award.
4. The decision of the SLAAS Council shall be final on any matter related to awards.
5. If any award is won, the cheque will be drawn in favour of the applicant as given in cage 1 of the prescribed application form.

PRESENTATION OF AWARDS:

Awards will be presented at the Annual Sessions of the Sri Lanka Association for the Advancement of Science (SLAAS) in December 2008.
